Subject: Application to Manufacture, Mark and Ship Under Authority of DOT Exemption
11993, Revision 2.

Reference: BREED Application for Renewal of DOT-E 11993 dated 16 November 1999.

Dear Sir,

Please find enclosed our application to initiate production under the authority of DOT-E 11993, Revision 2. This application includes the design qualification tests results, the test procedures to be performed, the production flow diagrams as well as the written procedures, the manufacturing print packages and the "Process Quality Assurance Manual", which provides all of the control measures required.

Document preparation, test performance and reporting has been accomplished with the assistance of Arrowhead Industrial Services Inc., our contracted and approved independent inspection agency.

The gas reservoir assembly has been designed and tested for use as a component of automobile safety restraint systems.

We appreciate your cooperation in advance.

Sincerely,

David Gamlen
Lead Packaging Engineer
